2012 Exam Report

The exam was hosted by Simon Fraser University and was written on June 7.

The exam was marked on June 13 by a team all of whose members have considerable experience in marking first-semester calculus exams.

108 students were registered and 103 actually wrote the exam. Of the 103 who wrote, 44 scored 75 and up, and a further 31 scored between 50 and 74.5, thereby passing the exam. The remaining 28 examinees scored below 50.

Letters were mailed to all participants on June 20. Letters and certificates which have gone astray can be replaced upon request.
